Dear Sir:

Mr. Dean of the "Dove Company" which is playing at the Empire Theatre of our city has referred me to you regarding your song "La Hamaca". This song is being used by Miss Anderson of the Dover Company and she sings the song with great success.

I would like very much to get a copy of this number. We are jobbers of all popular music and supply dealers all over the country. Will you kindly forward two copies with bill.

Thanking you, I am

Very truly yours,

My dear Mr. Vogel:

I have your interesting note of March 25th,
and am glad that Miss Anderson is singing my song
"La Hamaca" with great success.

The book containing this and 15 other songs is
privately printed by me, and has already, in fifteen
months, gone into its 6th Thousand. It is now "planted"
here and there in every State in the Union-- and every-
where is found good. A great many schools and glee
clubs and community choruses, as well as soloists, find
it a treasure.

I send you two copies, with bill enclosed, at 1/3 off,
the usual dealer's discount. I should imagine that by
a little ingenuity you could handle a large number; and
in that case I could make special rates to you which would
be well worth your while.

With best wishes,

Sincerely yours,

CFL/B
